## UTokyo's Unbalanced Gender Ratio: An Interactive Roundtable

Pre-Registration  
Required  
**65 seats**  
(Lottery)

Why is the gender ratio at UTokyo so unbalanced? What can we do to solve this problem? This event will explore these questions through an interactive roundtable that will feature UTokyo professors, researchers, and students. The panelists will share their different perspectives on this pressing disparity, followed by open discussion with the audience. We welcome students and community members with diverse perspectives and backgrounds. Attendees will be able to ask questions in English or Japanese.
